WE ARE STARS

Our 2009 Bella Natta theme, "We are Stars," is targeted at providing financial assistance to those students whose families would otherwise not be able to afford a Catholic education. Many of the families that we'll reach through this scholarship program come from broken underserved families in the surrounding NW Denver community. Your vital support will help lay the framework in making it possible for these amazing students to reach for the stars and achieve their potential. Please, consider becoming a sponsor of this very important event and help these young stars illuminate our world more brightly.

SPONSORSHIP OPPORTUNITIES

Since 1921, thousands of children have walked through the doors of St. Catherine of Siena and graduated with a strong moral compass, a solid academic foundation, and the knowledge of their dignity as children of a loving Creator. This tradition is a rich cornerstone of our community, one that we are committed to preserving for future generations. Bella Notte was created with the vision to generate needed funds that will be used to support the current academic environment at St. Catherine of Siena while keeping sight of the importance of protecting and strengthening the framework for our future.

Tuition and fees cover *less than 60%* of the cost of educating St Catherine students. As a successful Catholic school, St. Catherine depends on financial support above and beyond tuition in order to sustain and enhance extraordinary programs and facilities. This means talented teachers, small classes, and exceptional offerings in everything from the arts and technology to athletics. St. Catherine is also committed to extending quality Catholic education to those that may otherwise not be able to afford it.

Money raised from Bella Notte will be used specifically to:

- ✦ provide scholarship assistance to worthy families,
- ✦ contribute “funds for the future” to the school Endowment Fund,
- ✦ assist with capital development and improvement projects
- ✦ and to off-set operational expenses not covered by tuition and fees.
